Key Features

- 1920*1080 HD Resolution, 16:9 golden ratio, fine picture quality, more comfortable vision, immersive
- Bright Image quality is improved for better presentation
- 24/7 Operation
- Ultra Slim Design , Micro Frame ,
- Excellent wide view technology allows you to enjoy HD wonderful pictures and feel the beauty of true colors no matter from any Angle, 178° /178°Visual Angle
- Support intelligent 3D noise reduction, residual shadow elimination function, dynamic brightness, contrast color optimization technology
- low energy consumption, zero radiation, image stability, no impact on the eye
- Suitable for CCTV, PC, Gaming Etc...
- Dual Stereo Speakers
- HDMI / VGA /Audio Inputs
- Base / Wall Installation
- No flash screen + low blue light shielding harmful blue light band, reduce reflection interference, reduce eye damage.
- Using nanotechnology, the picture is more three-dimensional and transparent.
- Thin fashion appearance, exquisite workmanship, body thin about 7 mm, black and white two colors
- 8bit image chip processing technology, high pixel line by line scanning, fine and realistic picture quality.

Product Specification

Product Spec	Model
	OX-LED22HVS- (BM/WM)
Monitor inch	22 inch
O/C	TFT-LCD
The light source	LED backlight
Resolution ratio	1920*1080
Screen ratio	0.672916667
Brightness	300cd/m2
Contrast ratio	125.0006944
Refresh rate	75HZ
Response time	4ms
Display color	16.7M
Service life	60,000 H(typ)
Visual angle	H 178°/V 178°
Power adapter	
Voltage	12V/3A
Power	20W
Functional properties	
Operating mode	Panel
Working/storage environment	
Operating temperature/humidity	0~50°C/20%~80% (No condensation)
Storage temperature/humidity	-10~60°C/5%~95% (No condensation)
Interface	
Input interface	HDMI, VGA, Audio
Language	
OSD	English etc.

Dimension	
Appearance and color	(BM) black、(WM)white
Product architecture	Metal backlight mix and match flame retardant virgin plastic
Hanging size	75X75 (mm)
Product weight	NW 2.1(kg)/GW 3.1KG
Product size	493X282X40(mm)
Packing size/1 pcs	570X112X378(mm)
Weight	16.3kg
Way to install	Table Top /wall mounted
Others	
Attachment	Support, Power Supply, HDMI Cable, Manual
