# Overview

**OXION** is a Vehicle surveillance solution provider, Telematics & Video processing services. We are specializing in vehicle-related product development, and offering a wide range of Mobile Digital Video Recorders (MDVR) and Mobile Network Video Recorders (MNVR) solutions integrated with world-leading Ai technologies like ADAS, face recognition and Big Data which empower us became the pioneer of Telematics industry. Taking rapid pace of product innovation and stable quality in our industry-defining Mobile DVR combining with HD real-time video, Telematics, Ai, and our fleet management platform software application, we are trying to build a better-connected telematics world.

# KEY FEATURES

**OXION**<sup>®</sup>

1080P

8CH IPC

HDD/SSD  
128GB SD Card

G-Sensor

802.11ac Wi-Fi

4G

GPS Tracking

Anti-Vibration:  
MIL-STD-810G  
MAX: 40G

## IP Mobile Cameras

IPC mobile camera provides high quality images with the simplicity of IP infrastructure, making it the best choice to protect user's investment. It also offers multiple models for various scenarios.

**Real-time  
Video/Audio  
Transmission**

**Multiple Micro-size  
Models for Various  
Scenarios**

**Real Plug & Play for Easy  
Installation, Saving Time  
and Labor Costs**

**Adopts Aviation Connector  
and Shock-proof Design for  
Stable Connection**

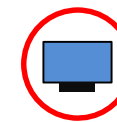

**ONVIF 2.0  
3<sup>rd</sup> party  
integration**

**Driver Status  
monitoring**

**People  
Counting**

**Rear View Auto  
Popup Window**

# MOBILE PRODUCTS

## IP Mobile Cameras

- 1/3" CMOS
- 1080P Resolution
- 2.8mm Lens
- Main Stream 2560\*1440
- 12Pcs LEDs
- IR Distance  $\geq$  8 Meters
- 2MP 30FPS
- G711U
- Built- in MIC
- Support ONVIF 2.0 Protocol
- RJ45
- IP 65

**Indoor  
OX-IPC22VM-IN**

- 1/3" CMOS
- 1080P Resolution
- 2.8mm lens
- Main Stream 2560\*1440
- 12Pcs LEDs
- IR Distance  $\geq$  8Meters
- 2MP 30FPS
- Support ONVIF 2.0 Protocol
- 6Pin Aviation
- IP 68

**Side View  
OX-IPC22V-OS**

- 1/3" CMOS
- 1080P Resolution
- 2.8mm lens
- Main Stream 2560\*1440
- 18Pcs LEDs
- IR Distance  $\geq$  15Meters
- 2MP 30FPS
- Support ONVIF 2.0 Protocol
- 6Pin Aviation
- IP 68

**Rear/Front  
ViewtOX-IPC22V-OR**

- 5 PIN Aviation Connector
- Flexible Wire Easy installation
- Whether Proof
- Water Proof
- High Stability
- Double Shield
- Anti interference cable

**Aviation Cables  
OX-MCB-5/10/15 M**

- IVMS
- Web client Application
- Real time Monitoring
- Alarm Monitoring
- Real Time GPS Tracking
- Video Playback
- Active Safety Monitoring
- Temperature reports
- Geo fence
- Parking report
- Video Loss error
- Hard disk error

**VMS  
OX-IVMS**

- HD Display
- AV input
- OSD Buttons
- 4PIN Aviation Connector
- Dash board mounting

**Monitor  
OX-VLED-M**
